

Thank you for choosing our office as your dental healthcare provider. We are committed to providing you with the highest quality dental care, so that you may attain optimum oral health.

The following is a statement of our Financial Policy, which we require that you read, agree to initial each section and sign prior to any treatment.

PAYMENT IS DUE AT THE TIME OF SERVICE

We accept cash, personal checks, Mastercard, Discover, American Express and Visa. When insurance applies, we will collect any deductible and estimated co-payment at this time.

INSURANCE

- As a courtesy to you, we will help you process all your dental insurance claims. Please understand that we will provide an insurance estimate to you; however, it is not a guarantee that your insurance will pay exactly as estimated. Insurance coverage is subject to limitations, exclusions, waiting periods, frequency, age restrictions, deductibles and maximums which are your responsibility. Please contact your insurance company for details of your benefits. Your insurance company and your plan benefits ultimately determine the amount paid. We will do all we can to ensure your estimate is as accurate as possible. Your estimated insurance benefit may differ due to a number of reasons, specifically related to your plan.
- All charges you incur are your responsibility, regardless of your insurance coverage. We must
 emphasize that as your dental care provider, our relationship is with you, our patient, not with
 your insurance company. Your insurance policy is a contract between you and your insurance
 company. Our office is not a party to that contract. You are responsible for payment regardless
 of any insurance company's arbitrary determination of usual and customary rates.
- We ask that you sign this form and/or any other necessary documents that may be required by your insurance company. This form instructs your insurance company to make payment directly to our office. And authorizes the release of any information concerning your (or your child's) health care advice and treatment provided for the purpose of evaluating and administering claims for insurance benefits.
- Insurance payments are ordinarily received within 30-60 days from the time of filing a claim. If
 payment is not received or your claim is denied, you will be responsible for paying the full
 amount at that time.
- We will cooperate fully with the regulations and requests of your insurance company that may assist in the claim being paid.
- We do not bill medical insurance for services rendered at our clinic.
